

Demographics questions:

You must include questions about age, race, and gender. You can add any other demographic questions you also think might be interesting to your research question.

Here are typical ways of including the required demographics. You are welcome to use these exactly as they are or modify them if you wish. Note that my comments are in red.

Age: _____ (short answer response)

What is your age? (multiple choice option - you can make the ranges as small as you want. Note we only start at 18 because under 18 are minors and we need special permission for them.)
